I agree to be responsible for any damages caused by my dog/s during my stay at the inn. I further agree to allow my credit card, which is on file, to be charged for any damages. I understand and will comply with the following policies during my stay:

- Dog/s to use the blanket provided if you feel your dog/s may get on any uncovered furniture. Chair covers already in place for this purpose.
- Use only the dog towel provided to clean up after your pet/s.
- Dog/s must be leashed on premise and on town spaces. Leash laws exist in town that must be adhered to.
- Dog/s are not to be left attended unless you are actively dining for breakfast, lunch, or dinner in Champney's. Please alert front desk staff when you go to dine. If the dog is left unattended at this time you must respond immediately if we are alerted that the dog/s is/are creating any disturbance for other guests. Housekeeping will also not service a room while the dog is unattended.
- Pick up after your dog. A waste bin and bags are provided towards the back of the carriage house for this purpose.

I attest that I will follow these policies and that my dog has never bitten or threatened anyone. I agree that I am liable for injury caused by my dog to any person or any other animal while on Inn premises. I understand that I am being charged \$50, per day, for up to two dogs to stay at the inn.
